Athlete Spotlight

Our first Athlete Spotlight for May is Eleanor Lynch! Eleanor was nominated by her instructor, Caitlin, because she is "always such a joy to have in class." According to Caitlin, Eleanor is always stepping up to help new students and is friendly with everyone! Eleanor's interest in dance started at a very young age and she began taking classes at Gymnastics Central when she was just 3-years-old! She loves going on the trampoline because she loves jumping. She also love seeing her teacher every week and has made some friends in the class. Outside of the gym, Eleanor is involved in Taekwondo and she enjoys breaking boards there. She also likes learning circus performance skills. We love having friendly, helpful athletes like Eleanor at the gym!

Staff

Spotlight

Our Staff Spotlight for the month of June is Emma! Emma was nominated by coach Dara because she is always willing to step up and help out when needed. Emma started back with the gym in March of this past year and currently instructs a few entry-level gymnastics classes and one entry-level tumbling & trampoline class. She also recently began instructing a level 2 gymnastics class. We love having coaches like Emma at the gym! If you see her around, be sure to say 'Hi!'

Check Your Child's Skills Online!

Checking your child's progress in a class has never been easier! Simply log in to the parent portal, click 'My Account', and press the 'Evaluations' button for the child whose skills you are trying to check on! From there, you will be taken to the 'Evaluations' page which will show any recorded skills your child has. These are updated in and after class on the tablets the coaches carry around. Feel free to speak with your child's instructor before or after class if you have any questions about their skills!
