## June 2020

### Staff Spotlight

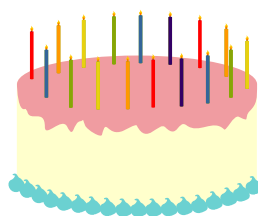

The staff spotlights for June are our two newest coaches: Stacey and Lauren!

Lauren has been involved in gymnastics since she was young. She started taking classes at Queen City Gymnastics and then moved to Gym-Nation where she competed at levels 4-9. During her senior year of high school, she competed as an independent for Summit Country Day School. She started coaching beginner level gymnastics in high school at Gym-Nation and when she went to college she coaches recreational classes at High Point Gymnastics Academy in North Carolina. When she moved back to Cincinnati, she thought that she might be done with gymnastics, but found that she couldn't stay out of the gym for long! She joined American Eagles and coached there for nearly three years. She is so excited to be back in the gym and to have a new gym to call home - and we are happy to have her here with us!
