## Athlete Spotlight

Our Athlete Spotlight for July is Remi Hatfield! Remi is a student in our preschool program. She was nominated by her instructor, Miss Lexi, because she is such a good listener and always follows directions. Remi's favorite things about gymnastics are the slide and the monkey bars! Her favorite thing to do outside of gymnastics is definitely swimming - perfect for summer! Her favorite animal, at the moment, is horses! We love having students like Remi at the gym!

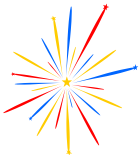

## Birthday Parties!

Does your child have a birthday party coming up? Well, good news! Gymnastics Central is hosting birthday parties again! Is there a better way to spend your birthday than running, jumping, and climbing at Gymnastics Central? Gym warrior sets available as well!

Only for ages 5 and up!

## Staff Spotlight

Our Staff Spotlight for the month of July is Mattie! Mattie began instructing at the gym back in September of this past year, and is a former member of our 'Optionals' gymnastics team. She began taking gymnastics classes when she was just two years old and started competing when she was six. Mattie teaches a wide variety of classes, including preschool, entry-level, and level 2. She is also one of the coaches for our Xcel Stars Silver and Gold team. She will be attending Xavier University this fall with plans to double major in both psychology and social work. Mattie is a very hardworking coach and is always ready to lend a hand when needed. We are so lucky to have coaches like her at the gym! Be sure to say 'Hi' if you see Miss Mattie around the gym!
