## March 2024

### Athlete Spotlight

Our Athlete Spotlight for March is Mary S! Mary was nominated by her coach, Dara, because she has made so much progress in her time on the team, she is a great listener, and she got 1st place all-around at their last meet! That's awesome!

Mary started watching Anderson High School's gymnastics team when she was 2 but really started getting interested in the sport when she was 4 - which is when her godmother signed her up for classes!

Mary's favorite things about gymnastics are getting to spend time with her teammates and doing the vault.

Outside of the gym, Mary likes to play jump rope and to run. She is also in theater and when that ends, she plans to start hip hop!

We love having dedicated and hard-working athletes like Mary at Gymnastics Central! Keep up the great work!

### Spring Break

Gymnastics Central will not close this spring for any kind of break (or next planned closure is not until Memorial Day - May 27th).

We understand that many families go out of town on trips during their children's break from school and, as a reminder, we do offer one make-up token per month! Make-up classes can be scheduled in any class of the same level and age group as your child's current class and you have 30 days from the missed class to schedule a make-up!

Please let us know if you have any questions at all!

### Inclement Weather Policy

Should the gym ever need to close due to snow, a power outage, etc. We will send an email to all families enrolled in classes the day of the closure. We will also update our outgoing phone message and our Facebook with this information. The gym may still be open when schools are closed, so be sure to check in with us and always drive safely, no matter the weather!
