COED PARTNER STUNTING PILOT PROGRAM

Athlete Application — 3 Month Pilot Program

Gymnastics Central is excited to introduce a new **Coed Partner Stunting Pilot Program** for middle school and high school-aged athletes.

This specialized program is designed for athletes who want focused training in coed partner stunting in an extremely small-group environment. Each class will be limited to **three athletes** and coached by **Luke Hudson and Kaylee LeVan**.

Because of the specialized nature of partner stunting and the limited number of positions available, participation is **by application and evaluation only**. Submission of an application does not guarantee an evaluation invitation or placement in the program.
